

Armed Armored Car FAQ

[What is a firearms upgrade?](#)

An upgrade is for individuals who already hold an unarmed armored car license and wish to be firearms certified.

[What are the charges that would disqualify me from receiving my firearms card?](#)

See the links below for the Laws and Rules and Regulations. The list of disqualifying charges can be found in Title 24, Chapter 13, § 1317 Armored car guard registration requirements and Rules and Regulations 6.0 Criminal Offenses

[What happens if I am denied my license?](#)

A certified letter will be sent to the address on the individual's application. A copy of the denial will also be sent to the agency listed on the application. The letter will give you instructions for your next steps.

[What do I need to do throughout the year to stay qualified?](#)

All individuals are required to shoot at least three times per calendar year to meet the minimum qualifications. See 1.3 under the Firearm's Policy for additional information.
